C4's Focus and Purpose

The Colonial Coin Collectors Club (C4) was founded in 1993 to provide a forum for collectors of numismatic material related to the Early American era. This involves coins, tokens, currency, and medals. The exact time frame encompassed by colonial numismatics is open to debate, but is generally accepted to include the complete pre-federal period as well as some issues of the 1790's. The early George Washington coins, tokens and medals are considered colonial items by most, and some of these date to the first half of the nineteenth century.

The club provides a forum for people interested in this period. The aims of the club are:

- 1- To increase the public's knowledge about colonial numismatics through meetings, conventions and its newsletter.
- 2- To promote the study of colonial numismatics and to help disseminate this information.
- 3- To cultivate fraternal collector relations.

For these purposes, the club will hold several meetings during the year in conjunction with major numismatic shows. The club has also established a colonial reference library and a colonial coin photo file. In addition, the C4 Newsletter is published quarterly.

AMERICAN NUMISMATIC SOCIETY

The Colonial Newsletter, Oliver Hoover, Editor

The Colonial Newsletter (CNL) is a research journal dedicated to the study of early American numismatics. Founded in 1960, *CNL* has continuously published some of the most scholarly and seminal studies in this area of numismatics. Focusing on the study of the coinages produced by the states during the Confederation period of the United States, *CNL* also investigates a variety of other specie that our forefathers used in their daily lives. Anyone with an interest in early America and its struggle to establish a new nation will find something of value in this publication. *CNL* is published three times a year in April, August, and December.

A FEW WORDS FROM YOUR PRESIDENT...

Welcome to the 16th Consecutive Annual C4 Convention! You have made it and prepare yourself for a time of fun! We have scheduled events, an auction, meetings and provided exhibits at Table 14. Please take advantage of as many as possible.

On the center page of this program is a map of the bourse floor, showing table locations and where the C4 Dealers can be found. These friends have traveled from across the country to hopefully place some new material in your collections, answer questions and possibly purchase some of your duplicate coins. I personally thank them for the time and expense they endure and hope this convention is as profitable for them as it is fun for us to go home with new treasures!

All C4 events will be held in Carver Salon III, which is located on the Mezzanine Level – the same floor that the restaurant is on. The schedule of events is in this program. There is always a possibility that the hotel might have a last minute room change for us, so please check the schedule on arrival.

McCawley and Grellman are holding their 16th Annual C4 Auction. Being C4 members, you all have received the catalog and have seen the outstanding job they have done (as they have for the past 15 years)! Besides being our official auctioneers, M&G also have a table with inventory, please stop by and tell them how much you liked the catalog.

Relax, enjoy the camaraderie, learn more about the coins you collect, add a few to your inventory, buy a new book for your library... But whatever you do, have FUN!

Whether you are a seasoned convention attendee, or this is your first, PLEASE don't leave the convention without saying HI to me.
